

Light & Shadow is looking for a **DOP** to work on a new blue-chip, landmark series (6x50'), delivering in 2024. The role offers a great opportunity to work with a highly experienced team of wildlife filmmakers and to be involved in an exciting and ambitious international production.

Light & Shadow is a film production company, based in **Germany**, that makes factual programs focusing on nature and wildlife around the world. Our productions have garnered awards across the globe and been aired by leading broadcasters.

Main responsibilities:

As a DOP, your top responsibilities are to operate a camera and to film according to the series producer's vision. Your duties include filming with high-end cameras, flying drones and collaborating with the director and production team. You will need to assess priorities, to adapt to fast changing circumstances, and to be able to work under pressure. You'll need a friendly attitude and a willingness to work co-operatively as part of our amazing team.

Your tasks:

- Filming the script and telling stories through visually outstanding shots.
- Developing the series' visual style together with the Series Producer and Director Producer.
- Supervising a camera assistant.
- Capturing subjects and utilizing light, colors and shadows to better complement your shots.
- Following shot-lists and scripts.
- Doing a first rough selection of the captured content.

We offer:

- A creative environment
- International clientele
- Exciting travel opportunities
- A permanent position (40 hrs./week)

Your profile:

- Understand the bigger picture of a scene
- Ability to capture complete sequences
- Excellent technical knowledge of the latest camera equipment and knowing how to use them to create an emotional impact
- Strong organizational skills and flexibility
- An eye for moving images
- Strong instincts for cinematic storytelling
- Ability to work unsupervised, exercising initiative and assessing priorities but referring issues upwards where appropriate.
- Have experience shaping bold, visually distinctive natural history content
- A passion for environmental storytelling and adventure

Please send your application (cover letter, cv, your salary expectations and earliest possible starting date) in an email to jobs@lightandshadow.tv with your name and 'DOP 2021' in the title.

Due to the number of applications, we may not be able to get back to you personally. If you haven't heard from us within three weeks of the closing date, unfortunately you haven't been selected this time.

Closing date – 15/10/2021
